## Sompting Big Local

Open 6.45

Meeting was open by Chair Ray Downie, Apologies were received from Carson Albury and Alun Jones who would be joining us later.

Terms of Reference was passed around the table in final draft form and each partnership member present was asked to read on completion a unanimous decision was agreed and partnership member present was asked to sign and this signed copy is to be held on file. Alun Jones on his arrival read the terms of reference and signed to his agreement.

Joyful Whippet, Chairman put forward a case for not processing for not making an offer for the Whippet due to as it was felt there would be a lack of community support and vast expenditure required before a community consultation could take place and with the lack of volunteers to assist with the project felt it would not be completed within the timescale set. There was a open discussion, a partnership member thought that with the building of the new housing a possible community centre would also be build and therefore 2 centres would not be used. A vote was taken and unanimous agreed not to continue with the project. Carson Albury would be asked to inform all relevant parties
